As you may know parent involvement is important to us at Mittye P. Locke. Our families are amazing, last year we totaled more than 4,000 volunteer hours.

We encourage parents to complete their volunteer application early and look for opportunities to volunteer. Please like our FB page and check our MPLES website for opportunities and upcoming events. Our Volunteer Coordinator Mary-Ann Brown or Parent Involvement Coordinator Andrea Morrow will be happy to assist you.

Over the year we plan on doing some amazing events. We hope they prove to be fun and educational. We encourage everyone to attend these events and take stock in your child's future.

Come support our events and the school. Remember to provide your feedback on the school surveys. You are our best resources. The surveys are read and analyzed and we try to implement your ideas and suggestions.

Please complete the school survey on the back of the form. Have your child return it to school ☺
