

Dear Parents/Guardians:

Welcome to an exciting year at Mittye P. Locke Elementary! This year, our school will be participating in the Labels for Education® program. My name is Susan Berryman and I am the Labels for Education coordinator for our school. Through the program we can collect UPCs and beverage/sauce caps from participating products to earn points that can be redeemed for FREE educational merchandise! Our goal this year is to collect 4000 points that we can redeem for supplies for our school. It's easy to help – simply save UPCs and beverage/sauce caps from participating products and drop them off at Mittye P. Locke Elementary.

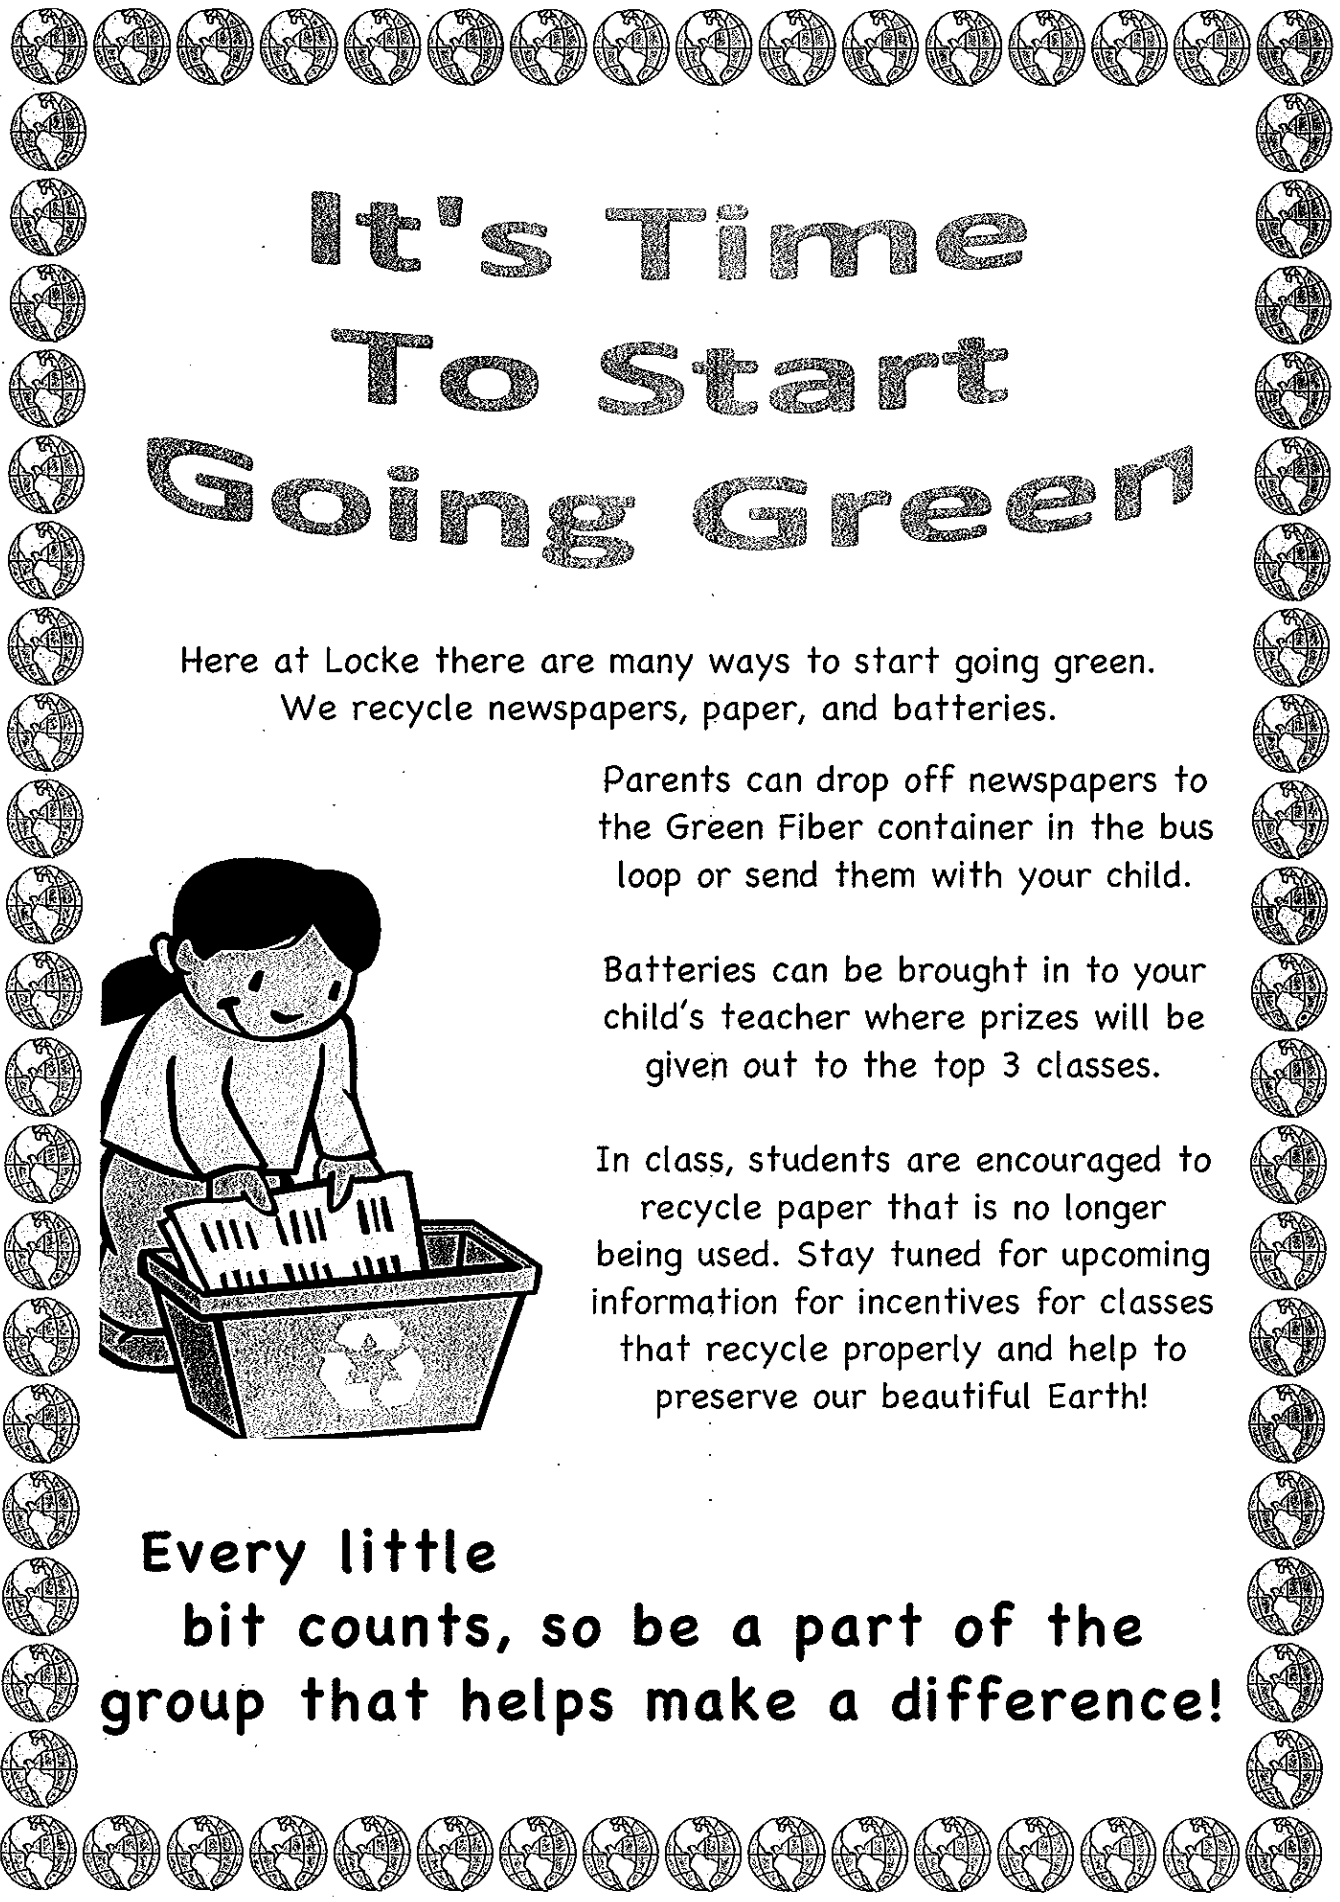

If you have any questions, or would like to help with our Labels for Education collection drive, please contact me at 727-774-3100 or via email at sberryma@pasco.k12.fl.us.

Thank you for your support. Together with the Labels for Education program – we can build a better school for our children.

Sincerely,

Susan Berryman

# It's Time To Start Going Green

Here at Locke there are many ways to start going green.  
We recycle newspapers, paper, and batteries.

Parents can drop off newspapers to the Green Fiber container in the bus loop or send them with your child.

Batteries can be brought in to your child's teacher where prizes will be given out to the top 3 classes.

In class, students are encouraged to recycle paper that is no longer being used. Stay tuned for upcoming information for incentives for classes that recycle properly and help to preserve our beautiful Earth!

**Every little  
bit counts, so be a part of the  
group that helps make a difference!**

## PASCO SHERIFF'S SCHOOL SAFETY

### Social Media Resources

Where to get the latest and official school safety, crime prevention, and public awareness information about the Pasco district educational system

### WHAT PARENTS CAN EXPECT IN A SCHOOL CRISIS RESPONSE

**Crisis response:** A coordinated response between first responders and school personnel during an extraordinary event that could significantly impact the safety and welfare of school children and/or school staff; to include, but not limited to, any overt act or threat of extreme violence, severe weather occurrence, or tragedy.

**Controlled campus:** A POTENTIAL threat or safety concern exists that requires a greater degree of control.

**Lockdown:** A direct threat to the school campus, staff, or student body.

Pasco Sheriff's Office and school personnel actively train to respond to reported incidents at schools and work as one cohesive unit to ensure campus safety.

Parents WILL NOT be allowed on campus and will be provided instruction as to a reunification location and time, if necessary. This is to ensure the safety of the students and so a parent is not misidentified as a potential threat to the school. It is important to note that nearly all school campus closures are for safety precautions and the threat is usually unfounded.

Parents will not be allowed on campus to pick up children for even regularly scheduled doctor's appointments until a lockdown is over. Interference or disruption during these occurrences from ANYONE coming on campus could subject them to arrest, as your child's safety is our first priority.

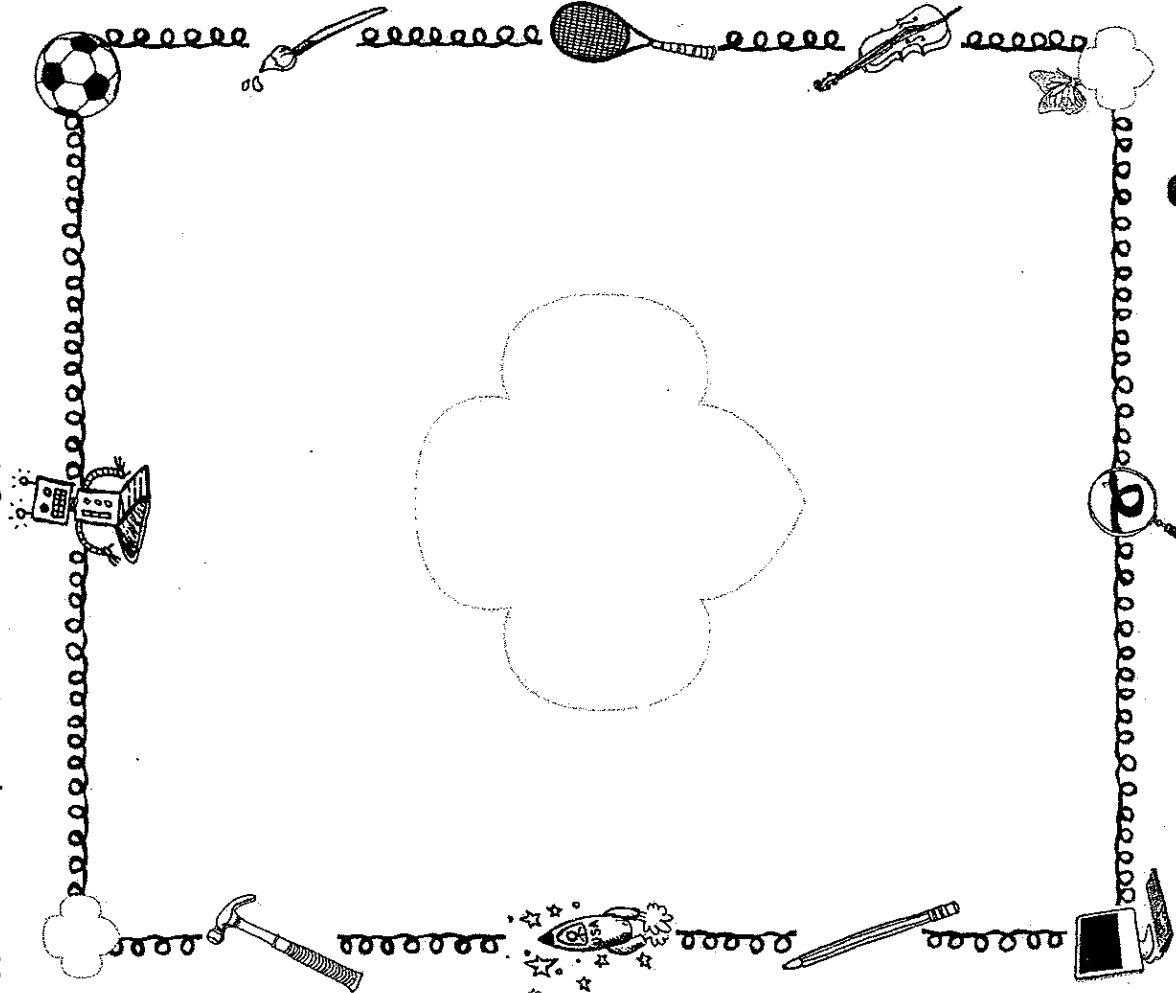

To assure parents have accurate information, official information during these occurrences will be disseminated using our Pasco Sheriff's School Safety social media sites.

Do not call the school during critical incidents. Emergency responders will be using phone lines to acquire information about the alleged incident and additional phone calls to the school could block the phone lines.

The Pasco Sheriff's Office and school personnel always do their best to ensure every child's safety on campus, and we ask all parents and guardians to have patience and trust during these situations.

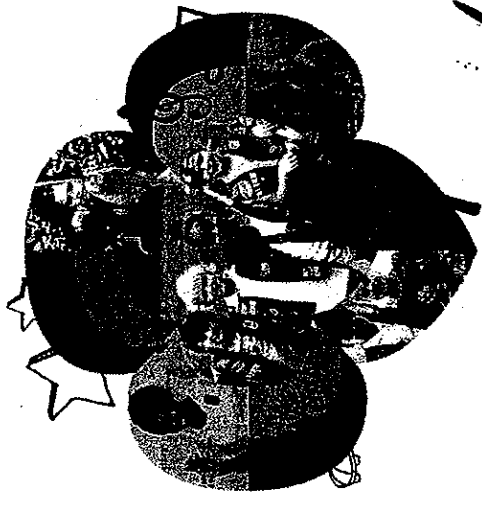

# I can't wait to be a Girl Scout. ♣

As a Girl Scout you go to new places, try cool things, make new friends and become even more awesome than you are now. Horses, robots, art, camp, swimming, archery, sports...it's all waiting for you. So what cool things can you see yourself doing, inventing, visting and enjoying as a Girl Scout? Use the space below to draw a picture of all the fun things you can imagine.

Join the fun at [gswcf.org/join](http://gswcf.org/join)

## All American Youth Activities

### CHEER

### DANCE

This course is designed for making friends while learning the fundamentals of cheerleading. Choreographed pom-pom and dance routines will be taught along with jumps, stunts, and other skills required for school tryouts.

Come learn elements of hip hop and modern jazz. Previous dance experience is not necessary. These classes improve movement, coordination, rhythm, timing, and teamwork. Classes are taught in a fun, relaxed, musical atmosphere and will help to prepare students for future dance interests.
