

**Single Sign-On technology allowing students
access everything they need with just one login!**

Dear Parents,

We are pleased to share that we have adopted myPascoConnect, a single sign-on platform that will allow students to use one username and password to access everything they need.

Here is how to help your students get started:

1. Go to: <https://mypascoconnect.pasco.k12.fl.us> or on our website Students>Website

Links

2. Student Credentials:

Username: Student ID/Lunch # ()

Password: LDAP Password ()

myPascoConnect is a safe, secure way for students to connect with applications and files. The software does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and will be a great resource for teachers and students.

Your child can access:

- IRLA Bookshelf (e-books on all IRLA levels)
- Pearson Easy Bridge (Reading textbook)
- Discovery Education (Science Textbook)
- Brain Pop Jr (Fun videos and games on topics)
- Education Galaxy (Math/Reading learning program)
- Axis 360 (our school e-library)

If you have questions, you can contact our school, email questions to support@classlink.com or go to our district's DIY site at <http://connectplus.pasco.k12.fl.us/do/tistechtips/mypascoconnect/> for more information.

Thank You!

Ms. Susan Berryman
